

Industries

AUTOMOTIVE / MANUFACTURING

Dean & Fulkerson represents companies that manufacture and distribute various products including vehicle parts. We understand that the automotive and manufacturing industries are unique and face complex challenges. Our representation includes preparation and negotiation of supply agreements and related contracts and trademark issues. We assist our clients to develop and implement successful strategies as to mergers & acquisitions, prevention, compliance, operational issues and expanding into new markets. Our litigation experience involves contractual disputes, environmental, employment, and liability. We have extensive experience handling employee benefits and union relations.

MUNICIPAL

Dean & Fulkerson's municipal law attorneys have an established reputation for excellence. We advise municipal clients on day-to-day problems as well as complex disputes.

REAL ESTATE DEVELOPMENT

Dean & Fulkerson's real estate and finance attorneys work with and advise clients in local, state, national and international real estate transactions. We have assisted in the purchase, sale, development and exchange of multi-use projects, office buildings, industrial parks and many other types of projects.

TRANSPORTATION & LOGISTICS

With a full-service transportation law department of experienced transportation attorneys, Dean & Fulkerson is a national leader in solving the legal problems of transportation companies, logistics providers and their customers. Our transportation attorneys have gained wide experience as well as international recognition for their in-depth knowledge and broad experience in serving the changing and dynamic fields of transportation and business logistics. Our U.S., Canadian and overseas clients include carriers, shippers, freight forwarders, brokers and logistics companies.
